

The ADR Institute of Canada Annual National Conference:

ADRIC 2019

Victoria, BC, Canada
November 20-22, 2019

The ADRIC Conference is Canada's largest, most prestigious and most important ADR event; every major firm and company with an interest in reaching those in the field will want to be associated.

Market Reach and Conference Exposure

Our advertising and promotional campaign reaches well over 10,000 individuals including in-house counsel, lawyers, human resources professionals, accountants, engineers, architects and users of Dispute Resolution services, as well as arbitrators, mediators and other DR practitioners. We anticipate over 200 attendees for ADRIC 2019; position yourself and build relationships with national and international industry leaders.

Complimentary Conference Passes

Send your clients to the conference: Many levels of sponsorship include complimentary registrations – a valuable opportunity to provide your clients or colleagues with two full days of substantive learning.

Speaking Opportunities

Many of our sponsorship packages include opportunities to place a speaker on a panel, or run a session. Topics reflect current interests and issues across Canada and internationally. Subjects from previous conferences have included everything from International Arbitration to Community Mediation.

Act now - limited opportunities

Top-tier sponsorships are time-sensitive and are determined on a first-come first-served basis. Call Janet McKay immediately to take advantage of this unique opportunity.

Thank you for your support.
