ADR...The Future is
NOW!

The ADRIC Conference is Canada's largest, most prestigious and most important ADR event; every major firm and company with an interest in reaching those in the field should be associated.

Market Reach and Conference Exposure

Our advertising and promotional campaign reaches well over 10,000 individuals including in-house counsel, lawyers, human resources professionals, accountants, educators, engineers, social workers and users of Dispute Resolution services, as well as arbitrators, adjudicators, and other DR practitioners. We anticipate over 200 attendees for ADRIC 2024; position yourself and build relationships with national and international industry leaders.

Complimentary Conference Passes

Send your clients to the conference: Most levels of sponsorship include complimentary registrations – a valuable opportunity to provide your clients or colleagues with two full days of substantive learning.

Speaking Opportunities

Many of our sponsorship packages include opportunities to place a speaker on a panel or run a session. Topics reflect current interests and issues across Canada and internationally. Subjects from previous conferences have included everything from International Arbitration to Community Mediation.

Act Now - Limited Opportunities

Top-tier sponsorships are time-sensitive and are determined on a first-come first-served basis. Make your pledge immediately to take advantage of this unique opportunity.

Thank you for your support.
